Why choose us

Our goal is to produce high value, tailor made solutions to meet our clients' financial needs. We leverage our combined knowledge and skills to provide regional and country specific solutions. Our objective is to help our clients develop a comprehensive strategy to secure their future financial freedom.

As a company, we believe that maintaining an honest and unbiased approach with regulated products makes our proposition very effective.

We have partnered with some of the worlds leading institutions as well as qualified advisors who are specialist consultants in their respective field. We have built an ecosystem to provide a fully tailored and complete service.

Our clients' best interests are at the forefront of everything we do....

Meet our Team

Phillip Mayers

A highly motivated Senior Financial Planner with over 15 years' experience in Financial Services, in both the Isle of Man and Middle East, skilled in sales management and development, leadership, and coaching.

His years of experience in Zurich International and Emirates NBD Asset Management have allowed Mr. Mayers to build a solid client base and glowing reputation.

His familiarity with the full set of banking and insurance products, business development, client liaison, and operations has led him and his teams to consistently assist clients to achieve their goals.

A driven and entrepreneurial Senior Financial Planner and Creative Event Manager with an international career spanning over 24 years, skilled in sales, customer service, financial planning and event creation & management.

Recognized as a highly respected professional, Mr. McMullan holds a demonstrable track record in front line & B2B sales and customer service.

His experience as a business owner has allowed him to successfully work with both corporate and individual clients, helping them become more efficient in all aspects of personal and professional planning.

James McMullan

Lisa Hefft

A passionate operations manager with over 15 years of managerial experience spanning the UK and the United Arab Emirates

Having worked in several industries as well as finance, Mrs. Hefft is adept at Implementing new compliance and administrative procedures, managing administration team, interview potential talent and training new staff.

Her dedicated service as a senior manager, executive assistant, and teaching expert has made her invaluable when it comes to building new ventures, teams and offices.
